- Wet wipes or baby wipes for cleaning up tables

Notes from the Teacher

Welcome back! I hope everyone had a wonderful Christmas Break! I am excited to begin 2016 and the second half of our school year! Please try to help your child get back on a good routine with school, homework, and behavior. Report cards will come home next week. Please look them over carefully and contact me if you have any questions or concerns. Report cards need to be signed and returned as soon as possible ☺.

I am sending home a bag with 10 sight words for your child to practice. These are individualized based on words that your child had not mastered when we did sight word checks in December. Please practice these at home until your child knows all 10 words. If they can read them to me at school, I will send 10 new words. These are words students should know quickly and not have to sound out or decode.
